

## TATOO LADY (Kingston Trio)

C C  
Oh, we came to town to see That old tattooed lady

G7 C  
She was a sight to see Tattooed from head to knee

C C  
My uncle Ned was there He came to gape and stare

G7 C  
"I've never" he declared "Seen such a freak so fair

C  
And on her jaw was the Royal flying corp

G7 G7  
And on her back was the Union Jack, now could you ask for more?

C  
All up and down her spine, were the queen's own guard in line

G7 C  
And all around her hips sailed a fleet of battle ships

C F  
And over her left kidney was a birds-eye view of Sidney

G7  
But what we liked best was upon her chest

G7 C  
Our little home in Waikiki What did you say?

Repeat All Above
