

The Unicorn

G **D7**
A long time ago when the earth was green

G
There were more kinds of animals than you've ever seen

G7 **C**
And they'd run around free while the world was being born

G **D7 G**
And the loveliest of all was the unicorn

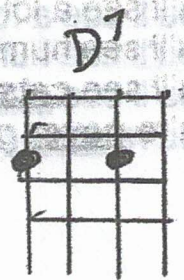

CHORUS

G **D7**
There were green alligators and long necked geese

G
Humpy back camels and chimpanzees

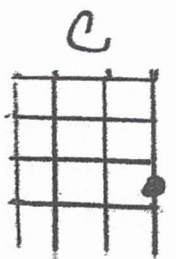

G7 **C**
Cats and rats, and elephants, but sure as you're born

G **D7 G**
The loveliest of all was the unicorn.

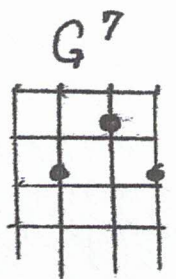

But the lord seen some sinnin' and it caused him pain
 He says "Stand back, I'm gonna make it rain
 So hey, brother Noah, I'll tell you what to do
Go and build me a floating zoo.
